

PROP 6 WILL **ELIMINATE** TRANSPORTATION PROJECTS IN THE **CENTRAL COAST REGION**

BELOW ARE PROJECTS CURRENTLY UNDERWAY IN THE CENTRAL COAST REGION THAT ARE AT RISK IF PROP 6 PASSES.

39 PROJECTS FILLING POTHoles AND REPAVING CRUMBLING ROADS

31 PROJECTS IMPROVING THE SAFETY OF LOCAL ROADS AND BRIDGES

10 TRAFFIC CONGESTION RELIEF PROJECTS

14 SAFETY IMPROVEMENT PROJECTS FOR PEDESTRIANS AND BICYCLISTS

FUNDING FOR OUR CITIES AND COUNTIES: 10-YEAR TOTAL

San Luis Obispo County **\$155 MILLION**

Santa Barbara County **\$201 MILLION**

TOTAL \$356 MILLION

FILLING POTHoles AND REPAVING ROADS

- Pavement preservation project on **24 miles** on SR 135 from Lakeview Road to US 101 Junction near the city of Santa Maria
- Pavement improvements on **13 miles** on SR 1 from Garcia Way to North Pismo
- Resurface and rehabilitate **35 miles** of roadway throughout Santa Barbara County
- Resurface more than **8 miles** of US 101 between Templeton and El Paso De Robles
- Pavement preservation project on **9 miles** on SR 246 from west of V Street to H Street and SR 1 from H Street to 12th Street in Santa Barbara County
- Resurface nearly **5 miles** of SR 41 and El Camino Real in Atascadero
- Resurface Main Street, O'Donovan Road and Bennett Way in San Luis Obispo County

ROAD SAFETY

- Upgrade guardrails, improve **43 miles** and add rumble strips on SR 1 from the Las Cruces Interchange (US 101 Separation) to the south SR 246 Junction in the City of Lompoc
- Widen shoulders, upgrade guardrails and pavement improvements on nearly **28 miles** on US 101 from south of the Gaviota Gorge Tunnel to north of Nojoqui Creek Bridge in Santa Barbara County
- Intersection improvements on Santa Monica Road and Via Real in Santa Barbara County
- Install street lights, resurface road, restripe bike lane and drainage improvements on Sherwood Road in El Paso De Robles
- Roadway striping and improve visibility of street signs throughout the City of Lompoc
- Construct a grade separated interchange at the SR 46 and SR 41 junction in east San Luis Obispo County

BRIDGES

- Replace the San Jose Creek Bridges on US 101 in the City of Goleta
- Revamp two bridges on US 101 in Santa Barbara County
- Repair bridges and upgrade bridge railing on the La Colina Road Undercrossing and the Primavera Road Undercrossing on SR 154 in the City of Santa Barbara

Examples of Projects Underway in the Central Coast Region

AT RISK

TRAFFIC CONGESTION RELIEF

- Construct **15 miles** of HOV lanes on **US 101** between the cities of **Carpinteria** and community of **Montecito**
- Replace **traffic monitoring elements** along **US 101** north of **SR 150** to north of Cathedral Oaks Road in **Santa Barbara County**
- Replace **traffic monitoring elements** on **US 101** from north of Santa Maria Way in **Santa Barbara County** to the **Santa Barbara/San Luis Obispo County line**
- Replace **traffic monitoring elements** on **US 101** from north of East Grand Avenue to Dinosaur Caves Park in **San Luis Obispo County**
- Intersection improvements to alleviate traffic congestion on **Santa Monica Road, Via Real** and **Santa Monica north bound** on and off ramp from **US 101**

PEDESTRIAN SAFETY

- **Sidewalk improvements** in **Paso Robles, Pismo Beach, Guadalupe** to increase pedestrian safety
- **Sidewalk improvements** on **Wilmar Avenue** and **Paso Robles Street** near **Oceano Elementary School** in **San Luis Obispo County**
- **Safe pedestrian routes** to schools in **Oceano, Santa Barbara, and San Luis Obispo**
- Construct **nearly 3 miles** of pedestrian and bike path along **Las Positas** and **Modoc Roads** in **Santa Barbara County**
- Construct a **bicycle and pedestrian link** between the communities of **Templeton** and **Atascadero**

PUBLIC TRANSPORTATION

- **Increase Pacific Surfliner service** to **Santa Barbara** from 5 to 6 round trips and to **San Luis Obispo** from 2 to 3 round trips with improved travel time, reliability and safety for both **Metrolink** and the Pacific Surfliner in the Los Angeles to **San Luis Obispo corridor**
- **Construct Goleta Train Depot**, a multi-modal transit facility with improved bus transit service and shuttles from Santa Barbara Airport and the University of California Santa Barbara
- **Improvements for commuters** between **Ventura** and **Santa Barbara counties** with improved bus services allowing for seamless use of both rail and transit to commute to employment centers in **Goleta** from **Oxnard** and **Ventura** with **5 zero-emission buses** resulting in a travel time reduction of 45 minutes while providing a service extension to **Oxnard**
- Replace **14 buses** for the **Santa Barbara Metropolitan Transit District**
- **5 replacement buses** for **City of Lompoc Transit system**
- Bus replacement for **Morro Bay Transit**
- Replace **electric trolley** for **San Luis Obispo Transit**
- Replace **2 buses** for **Santa Maria Area Transit (SMAT)**
- **Construct** a rail layover facility to support **increased rail frequency** to San Jose/Bay Area from **San Luis Obispo**
- Replace a bus for the **City of Guadalupe**
- Construct new **Bus Maintenance Facility** for **San Luis Obispo Regional Transit Authority**

**Stop the Attack on
Bridge & Road Safety!**

This is a partial list of projects.
